3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **R.C. 4508.01, 4508.02, 4508.03, 4508.04**

5. Statute(s) the rule, as filed, amplifies or implements: **R.C. 4508.02**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed to reflect a subsequent business change resulting from the statutory changes in HB 487, 129th General Assembly.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule requires specific training and an endorsement for an instructor and/or an enterprise to offer driver training to persons with disabilities. The rule also specifies the procedure for the classroom training and certificate of completion for students who elect to take their training through a medically based hospital or rehabilitation clinic. Proposed language in paragraph (B)(1) sets forth the requirements for a medically based hospital or rehabilitation facility school to provide a certificate of completion to a student who completed the online course and behind-the-wheel training through a medically based hospital or rehabilitation facility.

Following this rule's original CSI filing with stakeholders on January 16, 2013, the agency revised this rule to provide that the final examination would be proctored through the online driver education program provider. This change created an additional cost of compliance for medically-based hospitals and rehabilitation facilities as students who complete the final examination are issued certificates of completion, and the certificates are supplied by the agency at a cost of \$4 per certificate. The agency provided CSIO with an updated memo on March 25, 2013, to explain this change and resulting cost.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates "Certificate of Completion." The rule refers readers to 4501-7-01, which addresses the version/date of the material, as well as its availability. Paragraph (PP) of rule 4501-7-01 addresses all materials incorporated in the chapter in full compliance with statute.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

"Certificates of Completion" are not being filed as part of this package as the certificates are numbered, tracked, and issued to driver training schools at purchase. These materials have been, and continue to be, generally available to licensed schools, training managers, and instructors, those who can reasonably be

anticipated to be impacted by this rule and are addressed in rule 4501-7-01 providing readers with full citation, date/version as appropriate, and availability.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
