7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule defines the terms used throughout Chapter 4501-7 of the Ohio Administrative Code.

The rule requires specific training and an endorsement for an instructor and/or an enterprise to offer driver training to persons with disabilities. The rule also specifies the procedure for the classroom training and certificate of completion for students who elect to take their training through a medically based hospital or rehabilitation clinic. The comment addressing the incorporated references is proposed to update the paragraph from and rule reference from (SS) of rule 4501-7-01 to paragraph (A) of rule 4501-7-39.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

"Certificate of Completion." To comply with sections 121.71 to 121.74 of the Revised Code, this rule refers readers to 4501-7-39, which addresses the version/date of the material, as well as its availability. Paragraph (A) of rule 4501-7-39 addresses all materials incorporated in the chapter in full compliance with statute.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

The "Certificate of Completion" is not being filed as part of this package. The "Certificate of Completion" is created from a database application that is part of the Driver Training Program website, a program accessible to licensed schools, training managers, and instructors, or those who can reasonably be anticipated to be impacted by this rule, where information is electronically entered via an interface on the system. These materials are still addressed in rule 4501-7-39 providing full citation, date/version as appropriate, and availability.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.
