Bill Number: **HB487**General Assembly: **129**Sponsor: **Amstutz**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed to implement statutory changes set forth in HB487, 129th General Assembly. This rule is also proposed to replace existing rule 4501-7-10 due to the fifty percent guideline. It is estimated that changes to the new rule strike

approximately fifty percent of the text in the existing rule while adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth mandatory training requirements for driver education students who are fifteen and five months through seventeen years of age. The rule requires each student to receive twenty-four hours of classroom and eight hours of behind-the-wheel driver training and sets forth the requirements for training breaks, training environments, final examinations, and topics of instruction, which are to include organ donation and the dangers of texting while driving. The rule also sets forth behind-the wheel requirements and the procedures for issuing different types of certificates of completion.

Following this rule's original CSI filing with stakeholders on January 16, 2013, the agency revised this rule to provide that the final examination would be proctored through the online driver education program provider. The agency provided CSIO with an updated memo on March 25, 2013, to explain this change. A copy of this memo is attached to this filing as an additional publication.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

Section 121.75 of the Revised Code provides an exception to the provisions of sections 121.71 to 121.74 of the Revised Code for a text or other material, including, without limitation, generally accepted industry standards, that is generally available to persons who reasonably can be expected to be affected by the rule. This rule incorporates the "Examination Questions Test Bank," "Digest of Motor Vehicle Laws," and the "Ohio Driver Training Curriculum," which are commonly known and considered an industry standard for all Ohio licensed driver training schools. These materials are generally available to driver training enterprises, instructors, training managers, and authorizing officials, those who reasonably can be expected to be affected by the rule, upon written request submitted to the Driver Training Program Office or via the Driver Training Program website.

Additionally, this rule addresses how the publication may be accessed by referring readers to rule 4501-7-01, the chapter's definitional rule, which provides the

publication dates and availability of all materials incorporated in Chapter 4501-7.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:
