4. Statute(s) authorizing agency to adopt the rule: **R.C. 4508.02**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being proposed for rescission, and simultaneously being proposed for adoption as new under this same rule number, due to LSC formatting guidelines. It is estimated that changes to the rule strike approximately half of the existing text while adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the training that is required for the operation of class "D" motor vehicles.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule references two texts that are generally available to persons who can be expected to be affected by this rule: 1) "Ohio Driver Training Curriculum;" and 2)"Digest of Ohio Motor Vehicle Laws." Both texts are available at the Ohio Department of Public Safety and will be deposited at the five depository libraries designated by the State Library Board and with JCARR.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

It is infeasible to file the texts electronically as both are voluminous; however, the materials will be made available to the public by depositing copies of the texts with the five depository libraries designated by the State Library Board and with JCARR.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

It is infeasible to file the texts electronically as both are voluminous; however, the materials will be made available to the public by depositing copies of the texts with the five depository libraries designated by the State Library Board and with JCARR.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
