This rule is filed based upon a five-year R.C. 119.032 rule review prompted by legislation which transfers jurisdiction over driver education courses in high schools from the Department of Education to the Department of Public Safety. New language is to provide clarification regarding the time frames for record keeping and the information required to be maintained by an enterprise or organization that completes training of instructors and training managers. It also is to provide clarification that a parent or legal guardian's signature may be accepted in lieu of the student's signature on a request for a new certificate of completion due to a loss

or theft of such certificate.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule provides requirements for records that are to be retained by driver training schools. New language provides the time frames for record keeping and the information required to be maintained by an enterprise or organization that completes training of instructors and training managers. (Similar language is also being proposed in Rule 4501-7-05.) Another change adds language to provide that a parent or legal guardian's signature may be accepted in lieu of the student's signature on a request for a new certificate of completion due to a loss or theft of such certificate.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

While this rule references the Revised Code and the Administrative Code, incorporation by reference of such information is excepted by section 121.76 of the Revised Code from the requirements set forth in R.C.121.71 to 121.75.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so:

No changes. Filing is to move rule to December 22 JCARR date with other refiled rules of OAC Chapter 4501-7.

12. 119.032 Rule Review Date: **10/8/2003**

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

While the change in jurisdiction from the Department of Education to the Ohio Department of Public Safety involves costs, implementing this rule is not expected to impact the agency budget beyond the cost stated in Rule 4501-7-01 (This is the cost associated with printing updated driver training rules). Any changes related to the jurisdiction transfer that require staff time will be accomplished by existing personnel and we therefore do not expect this rule to have a significant impact on the agency budget.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

While new rule language clarifies that records regarding training of instructors and training managers must be maintained for three years, if a school is not currently meeting the requirements, there could be minimal costs with associated record

keeping. For driver training enterprises that are being brought into the jurisdiction of the Department of Public Safety from the Department of Education, it is likely that the information required to be maintained is already kept by the public schools. Adjustment by existing personnel to change record keeping organization and practices may be needed to meet the requirements of this rule.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **Yes**

You must complete Part B of the Rule Summary and Fiscal Analysis in order to comply with Am. Sub. S.B. 33 of the 120th General Assembly.

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
