6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed to implement statutory changes set forth in HB487, 129th General Assembly.

This rule is simultaneously being rescinded, and proposed as new under the same rule number, due to the fifty percent guideline. It is estimated that changes to the rule strike approximately fifty percent of the text in existing rule 4501-7-13 while

adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth required paperwork to be maintained and provided for each student taking the course. The rules requires a roster of all student attending each session, a classroom training record specific to each student, and a behind-the-wheel record showing dates, times and topic of instruction for each time. Instructors and students must sign the records. The enterprise is also responsible to maintain all records relating to their instructors, licenses and applications. The enterprises must maintain all records pertaining to the application and renewal for the school(s) licenses. The rule requires the records to be maintained for at least three years and shall be made available upon request.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each

specific paragraph of the rule that has been modified:

The original filing of this rule incorrectly indicated that there was a fiscal impact to school districts. This rule sets forth requirements for record keeping, which does not result in any cost of compliance. Therefore, the need for the RSFA (B) was eliminated.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
