This filing is to reflect a rule reorganization that separates provisions applicable to class "D" license schools (in this case rule 4501-7-14) from provisions applicable to commercial driver license schools (in this case proposed new rule 4501-7-31 which reflects the language of existing 4501-7-15. This rule provides minimum standards for vehicles used in training the operation of motor vehicles other than commercial motor vehicles (via class "D" schools). Proposed changes are included in provisions that require vehicles to be inspected by the State Highway Patrol.
