Are you proposing this rule as a result of recent legislation? **Yes**Bill Number: **HB53**General Assembly: **131**Sponsor: **Grossman**3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**4. Statute(s) authorizing agency to adopt the rule: **4508.02, 4508.06**5. Statute(s) the rule, as filed, amplifies or implements: **4508.06**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed to implement statutory changes set forth in HB 53, 131st General Assembly.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the ability of the Director of Public Safety to take action against an applicant or license of an abbreviated adult training course, adult training coordinator, or instructor when the director has determined that provisions of Chapter 4501-8 of the OAC have been violated. The rule also addresses the licensee's rights under Chapter 119. of the Revised Code. Additionally, this proposed rule addresses immediate suspensions of school or instructor licenses for egregious violations as established in Section 4508.06 of the Revised Code

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates the "renewal requirements." To comply with sections 121.71 to 121.74 of the Revised Code, this rule refers readers to 4501-8-21, which addresses the version/date of the material, as well as its availability. Paragraph (A) of rule 4501-8-21 addresses all materials incorporated in the chapter in full compliance with statute.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

"Renewal Requirements" are not being filed as part of this package. "Renewal Requirements" is a database application that is part of the Driver Training Program website, a program accessible to licensed schools, training managers, and instructors, or those who can reasonably be anticipated to be impacted by this rule, where information is electronically entered via an interface on the system. These materials are still addressed in rule 4501-8-21 providing full citation, date/version as appropriate, and availability.

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

This will increase expenditures.

6000

It is estimated disciplinary action (administrative hearings) increases the agency's expenditures by about \$6000 per year for the costs of hearing examiners and court reporters for the purposes of the administrative hearings. The actual costs are determined by the number of cases and the length of the hearings.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

The expenditures are appropriated through the 7036 fund (Highway Transportation Fund), ALI 761321 under Information and Education Operating.
