2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **R.C. 4501.02, R.C. 4507.09**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This filing is based on a five-year, R.C. 119.032 rule review of Ohio Administrative Code Chapter 4501:1-1. This new rule is being proposed for adoption and simultaneously an existing rule governing the same topic (same rule number and title) is being proposed for rescission.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides the acceptable identification to be submitted along with an application for a driver's license, commercial driver's license or identification card. This filing reflects proposed changes to the existing version of this rule (currently being proposed for rescission). The filing updates a federal agency name from "immigration and naturalization service (INS)" to "United States citizen and immigration services (USCIS)" and capitalizes the term "Indian." It also provides new language in paragraph (C) that provides for acceptance of a valid, complete identification card issued by the Ohio department of rehabilitation and correction.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
