

4717-7-06

**Sale or disposition of existing embalming facility.**

- (A) When any embalming facility is closed, the board shall be notified, in writing, within ten days, by the embalmer actually in charge and ultimately responsible, whose signature shall be notarized. Within thirty days of the notification to the board, the embalmer actually in charge and ultimately responsible shall surrender the license to operate the embalming facility.
- (B) ~~The new embalmer actually in charge and ultimately responsible of the embalming facility shall submit to the board a fully completed application for license, within thirty days after the purchase of the embalming facility.~~ When any licensed embalming facility is sold to an individual or business entity who intends to operate from the same location, the embalmer actually in charge and ultimately responsible for the new embalming facility shall submit to the board a fully completed application for embalming facility license, within thirty days after the purchase of the embalming facility.
- (C) Upon the sale of a licensed embalming facility that results in a majority change in ownership, the person licensed to operate the embalming facility shall surrender to the board the embalming facility license of the embalming facility within thirty days of the closing, sale, or other disposition of the embalming facility, along with a clearly enumerated account of the following:
- (1) All receptacles or enclosures containing cremated remains not yet released or delivered to the person(s) designated to receive them on the cremation authorization form or authorizing agent who executed the cremation authorization form authorizing the cremation of the decedent.
