

4717-7-07

Sale or disposition of existing crematory facility.

~~When any crematory facility is closed, the board shall be notified, in writing, within ten days, by the crematory operator actually in charge and ultimately responsible of the facility license, whose signature shall be notarized. Within thirty days of the notification to the board, the crematory operator actually in charge shall surrender the license to operate the crematory facility.~~

~~The new crematory operator actually in charge and ultimately responsible of the crematory facility shall submit to the board a fully completed application for license, within thirty days after the purchase of the crematory facility.~~

(A) When any crematory facility is closed, the board shall be notified, in writing, within ten days, by the crematory operator actually in charge and ultimately responsible for the crematory facility license, whose signature shall be notarized. Within thirty days of the notification to the board, the crematory operator actually in charge and ultimately responsible shall surrender the license to operate the crematory facility.

(B) When any licensed crematory facility is sold to an individual or business entity who intends to operate from the same location, the crematory operator actually in charge and ultimately responsible for the new crematory facility shall submit to the board a fully completed application for crematory facility license, within thirty days after the purchase of the crematory facility.

(C) Upon the sale of a licensed crematory facility that results in a majority change in ownership, the person licensed to operate the crematory facility shall surrender to the board the crematory facility license of the crematory facility within thirty days of the closing, sale, or other disposition of the crematory facility, along with a clearly enumerated account of the following:

(1) All receptacles or enclosures containing cremated remains not yet released or delivered to the person(s) designated to receive them on the cremation authorization form or authorizing agent who executed the cremation authorization form authorizing the cremation of the decedent.
