

4723-14-05

Educational activities that do and do not meet the continuing education requirement.

(A) Any of the following options may be used by a licensee or certificate holder to satisfy the continuing education requirements set forth in section 4723.24 of the Revised Code, this chapter, and Chapter 4723-23 of the Administrative Code:

- (1) A continuing education activity that has been approved by an OBN approver or by a board or agency regulating the licensee or certificate holder in another jurisdiction;
- (2) A continuing education activity that has been approved by a nationally recognized accreditation system of continuing education approval;
- (3) A successfully completed course provided by an accredited educational institution for which academic credit is awarded to the licensee or certificate holder;
- (4) An independent study as defined in paragraph (E) of rule 4723-14-01 of the Administrative Code;
- (5) Interdisciplinary continuing education as defined in paragraph (G) of rule 4723-14-01 of the Administrative Code;
- (6) A continuing education activity that has been approved by an agency that regulates a health care profession or discipline in Ohio or another jurisdiction;
- (7) Continuing education credit may be given to a licensee or certificate holder who develops and presents a course or activity, or develops an independent study, in accordance with the following:
 - (a) For the first time a presentation is given, the licensee or certificate holder who develops and presents the course or activity shall be awarded the same number of contact hours as the participant receives for the presentation. Contact hours shall only be awarded ~~only~~ for the first time a presentation is given;
 - (b) ~~The~~ For an independent study, the number of contact hours awarded to the licensee or certificate holder who develops the independent study shall be equal to the number of contact hours awarded to participants for who complete the activity or portion of the activity presented by the licensee or certificate holder independent study;

~~(e) Contact hours shall not be awarded for time spent in development or preparation of a presentation;~~

~~(d)~~(c) A licensee or certificate holder who presents a portion of an activity may receive continuing education contact hours for additional portions of the activity the licensee or certificate holder attends but does not present.

(8) The board may approve a board-sponsored continuing education activity in accordance with this chapter.

(B) The following activities shall not be used by a licensee or certificate holder to satisfy the continuing education requirements set forth in section 4723.24 of the Revised Code, this chapter, and Chapter 4723-23 of the Administrative Code:

- (1) Basic life support (BLS) or cardiopulmonary resuscitation (CPR);
- (2) Repetition of any educational activity with identical content and course objectives within a single reporting period;
- (3) An agency specific orientation or in-service program;
- (4) A self-directed independent study such as reading of texts or journal articles that has not been approved as an independent study;
- (5) Participation in clinical practice or research that is not part of a continuing education activity;
- (6) A personal development activity;
- (7) Professional meetings or conventions except for those portions designated as a continuing education activity;
- (8) Community service or volunteer practice;
- (9) Continuing education ordered by the board pursuant to section 4723.28 or 4723.282 of the Revised Code; or
- (10) Membership in a professional organization.
