I. Rule Summary

1. **Is this a five year rule review?** Yes

A. **What is the rule's five year review date?** 10/12/2017

2. **Is this rule the result of recent legislation?** No

3. **What statute is this rule being promulgated under?** 119.03

4. **What statute(s) grant rule writing authority?** 4723.79, 4723.07

5. **What statute(s) does the rule implement or amplify?** 4723.24

6. **What are the reasons for proposing the rule?**

The rule is being filed as part of the Board's five-year rule review.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

The rule establishes the process to obtain initial approval as a Board approver of continuing education. A change is made to cross-reference OAC Rule 4723-1-03, and address the availability of the application for approval on the Board's website.

8. **Does the rule incorporate material by reference?** Yes

9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**

The material referenced is a form that is readily available on a public website. Forms contain data (e.g., calendar dates, references to statutes) that are updated from time to time, and it is infeasible, and not a good use of state resources, to file new rules and hold public rule hearings, each time changes are made to forms. In addition, some forms referenced are representative samples, as the forms used by individuals are mailed to them directly and contain secure passwords to access and file the form on the Ohio eLicense Center electronic database, and it is infeasible to attach forms containing personal identifiers to public rule filings.

10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will have no impact on revenues or expenditures.
