**Requirements for a dialysis technician training program  
approved by the board.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **Yes**

Bill Number: **HB303**General Assembly: **129**Sponsor: **Schuring**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4723.79**

5. Statute(s) the rule, as filed, amplifies or implements: **4723.74**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed according to the enactment of House Bill 303 of the 129th General Assembly.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule deals with requirements for approval of a dialysis technician training program by the Board. Grammatical changes were made to make the rule easier to understand. Language is revised to reflect "dialysis technician intern" as enacted by House Bill 303 rather than "temporary" certificate. Paragraph (E)(12), dealing with consideration of substantially equivalent military education and skills training was added according to Executive Order 2013-05K.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The rule states that the materials are available to the public at <http://www.nursing.ohio.gov/forms.htm>.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

The material referenced is a form that is readily available on a public website. Forms contain data (e.g., calendar dates, references to statutes) that are updated from time to time, and it is infeasible, and not a good use of state resources, to file new rules and hold public rule hearings, each time changes are made to forms. In addition, some forms referenced are representative samples, as the forms used by individuals are mailed to them directly and contain secure passwords to access and file the form on the Ohio eLicense Center electronic database, and it is infeasible to attach forms containing personal identifiers to public rule filings.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each

specific paragraph of the rule that has been modified:

The rule is revised to include the latest revision date for forms incorporated by reference in paragraph (A)(1)(a).

12. 119.032 Rule Review Date: **10/17/2013**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
