Renewal of a medication aide certificate.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **Yes**

Bill Number: **HB119**General Assembly: **127**Sponsor: **Dolan**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4723.69**

5. Statute(s) the rule, as filed, amplifies or implements: **4723.61 to 4723.69**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The 2007 budget bill, House Bill 119, extended the term of the medication aide pilot program so that it now ends on the 31st day after the board submits a required program report. The HB 119 amendments provide that the program report must be submitted no later than the 181st day after the board issues the 75th medication aide certificate. Until this triggering event occurs, the actual termination date of the program cannot be determined. The current rules in this chapter include numerous references to July 1, 2007, when the pilot was to have ended and the statewide use of medication aides was to begin. Given the statutory changes, these references

must be replaced with the revised pilot program termination date. Since this date cannot be determined with certainty until the board issues the 75th medication aide certificate, it is necessary to use a more generic reference. Accordingly, all other rules that relate to the previously established pilot program end date must be revised.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

Paragraph (A) is revised to reflect the lack of an established pilot program end date.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
