Rule Title/Tag Line

**Renewal of a medication aide certificate.****RULE SUMMARY**1. Is the rule being filed for five year review (FYR)? **No**2. Are you proposing this rule as a result of recent legislation? **Yes**Bill Number: **HB488**General Assembly: **130**Sponsor: **Dovilla, Landis**3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**4. Statute(s) authorizing agency to adopt the rule: **4723.69**5. Statute(s) the rule, as filed, amplifies or implements: **4723.61 to 4723.69**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed according to the enactment of House Bill 488 of the 130th General Assembly.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule deals with renewal of a medication aide certificate. Obsolete language is being deleted as the Board is adopting new rules to consolidate references to service members, veterans, and their spouses.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The rule states that the materials are available to the public at <http://www.nursing.ohio.gov/forms.htm>.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

The material referenced is a form that is readily available on a public website. Forms contain data (e.g., calendar dates, references to statutes) that are updated from time to time, and it is infeasible, and not a good use of state resources, to file new rules and hold public rule hearings, each time changes are made to forms. In addition, some forms referenced are representative samples, as the forms used by individuals are mailed to them directly and contain secure passwords to access and file the form on the Ohio eLicense Center electronic database, and it is infeasible to attach forms containing personal identifiers to public rule filings.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

*Not Applicable.*

12. Five Year Review (FYR) Date: **10/15/2016**

(If the rule is not exempt and you answered NO to question No. 1, provide the

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

The Board relocated information previously addressed in multiple sections of Chapter 4723 of the Ohio Administrative Code (OAC), to a single chapter. By placing information specific to military service members and their spouses in the Chapter 4723-2, OAC, the Board intends to help service members and their spouses more easily identify and utilize these provisions. As the rule reflects pre-existing fee waiver benefits, the Board anticipates no net impact on revenues or expenditures. However, by relocating the rule it is possible that the Board will see a negligible decrease in revenues due to an increased identification and utilization of these provisions by service members and their spouses.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:
