The Board is required to mail renewal applications to those holding current, valid medication aide certificates unless the Board is aware that a certificate holder may not be eligible for renewal. A certificate holder must submit to the Board a renewal application with the required renewal fee, and must satisfy the continuing education requirements set forth in OAC 4723-27-06 (proposed). The rule also establishes a process by which a certificate holder may place the certificate on inactive status, and establishes requirements for reactivating an inactive certificate and reinstating a lapsed certificate.
