

4723-7-04

Requirements for licensure for foreign educated nurse graduates.

- (A) A foreign educated nurse graduate applying for licensure by examination shall satisfy all of the following:
- (1) Provide to the board a comprehensive nursing education program evaluation from the credentialing evaluation service of the commission of graduates of foreign nursing schools that includes information sufficient for the board to determine whether the foreign educated nurse graduate's education program has educational content and requirements that are substantially similar to a registered nursing education program set forth in rule 4723-5-13 of the Administrative Code if the applicant is applying for licensure by examination as a registered nurse, or a practical nursing education program set forth in rule 4723-5-14 of the Administrative Code if the applicant is applying for licensure by examination as a practical nurse;
 - (2) Provide to the board evidence of obtaining the minimum passing score on the "Test of English as a Foreign Language" (TOEFL™). This requirement does not apply to except that a foreign educated nurse graduate whose native language is English and who graduated from a college, university, or professional education program located in Australia, Ireland, New Zealand, the United Kingdom, South Africa, Trinidad and Tobago, Jamaica, Barbados, or parts of Canada, except that, with respect to Canada, the exception from the requirement does not apply to other than Quebec, unless the individual graduated from McGill University, Dawson College in Montreal, Vanier College in St. Laurent, John Abbot College in Sainte-Anne-de-Bellevue, or Heritage College in Gatineau need not comply with this requirement;
 - (3) In accordance with section 4723.09 of the Revised Code, submit to a criminal records check completed by the bureau of criminal identification and investigation in a form prescribed by the board, the results of which indicate that the individual has not been convicted of, pleaded guilty to, or had a judicial finding of guilt for any violation set forth in section 4723.09 of the Revised Code;
 - (4) In accordance with rule 4723-7-02 of the Administrative Code, submit to the board a completed application in the form specified by the board, and the relevant license application fee as set forth in section 4723.08 of the Revised Code;
 - (5) In accordance with rule 4723-7-02 of the Administrative Code, complete the registration process for examination required by the testing service;

(6) In addition to the requirements of this paragraph, a foreign educated nurse graduate applying for licensure by examination is subject to the provisions of rule 4723-7-03 of the Administrative Code.

(B) A foreign educated nurse graduate applying for licensure by endorsement shall satisfy all of the following:

(1) If seeking licensure by endorsement as a registered nurse, have been originally licensed by examination to practice as a registered nurse in a jurisdiction of the national council of state boards of nursing, and meet one of the following requirements:

(a) If originally licensed by examination prior to January 1, 1953, evidence of having passed an examination;

(b) If originally licensed by examination on or after January 1, 1953, but prior to July 1, 1982, achievement of a score of at least three hundred fifty on each subject tested in the "State Board Test Pool Examination";

(c) If originally licensed by examination on or after July 1, 1982, but prior to October 1, 1988, achievement of a score of at least one thousand six hundred on the NCLEX-RN; or

(d) If originally licensed by examination on or after October 1, 1988, achievement of a "pass" score on the NCLEX-RN;

(2) If seeking licensure by endorsement as a licensed practical nurse, have been originally licensed by examination to practice as a practical nurse in a jurisdiction of the national council of state boards of nursing, and meet one of the following requirements:

(a) If originally licensed by examination on or after July 1, 1956, but prior to July 1, 1982, achievement of a score of at least three hundred fifty on the "State Board Test Pool Examination";

(b) If originally licensed by examination on or after July 1, 1982, but prior to October 1, 1988, achievement of a score of at least three hundred fifty on the NCLEX-PN; or

(c) If originally licensed by examination on or after October 1, 1988, achievement of a "pass" score on the NCLEX-PN;

- (3) Have submitted to the board directly by the program administrator or designee, or by the jurisdiction in which the applicant was originally licensed by examination, an official transcript from the foreign educated nurse graduate's nursing education program, a comprehensive nursing education program evaluation from the credentialing evaluation service of the commission of graduates of foreign nursing schools, or other documentation acceptable to the board, that includes information sufficient for the board to determine:
 - (a) Whether the program has educational content and requirements that are substantially similar to a registered nursing education program, as set forth in rule 4723-5-13 of the Administrative Code, if seeking licensure by endorsement as a registered nurse; or
 - (b) Whether the program has educational content and requirements that are substantially similar to a practical nursing education program, as set forth in rule 4723-5-14 of the Administrative Code, if seeking licensure by endorsement as a licensed practical nurse;
- (4) Provide evidence satisfactory to the board of possessing a working knowledge of the English language. This requirement does not apply to, except that a foreign educated nurse graduate whose native language is English and who graduated from a college, university, or professional education program located in Australia, Ireland, New Zealand, the United Kingdom, South Africa, Trinidad and Tobago, Jamaica, Barbados, or parts of Canada, except that, with respect to Canada, the exception from the requirement does not apply to other than Quebec, unless the individual graduated from McGill University, Dawson College in Montreal, Vanier College in St. Laurent, John Abbot College in Sainte-Anne-de-Bellevue, or Heritage College in Gatineau need not comply with this requirement;
- (5) Have submitted to the board either directly by the jurisdiction in which the foreign educated nurse graduate was originally licensed by examination, or electronically by the national council of state boards of nursing, one of the following:
 - (a) Verification of licensure by examination as a registered nurse, if seeking licensure by endorsement as a registered nurse; or
 - (b) Verification of licensure by examination as a practical nurse if seeking licensure by endorsement as a licensed practical nurse;
- (6) Have submitted to the board directly by the jurisdiction in which the foreign

educated nurse graduate most recently practiced nursing as a registered nurse or licensed practical nurse, one of the following:

- (a) Verification of licensure as a registered nurse, if seeking licensure by endorsement as a registered nurse; or
 - (b) Verification of licensure as a practical nurse if seeking licensure by endorsement as a licensed practical nurse;
- (7) Have submitted to the board the results of a criminal records check conducted by the bureau of criminal identification and investigation in accordance with section 4723.09 of the Revised Code, indicating that the applicant for licensure by endorsement has not been convicted of, pleaded guilty to, or had a judicial finding of guilt for any violation set forth in section 4723.09 of the Revised Code;
- (8) Submit to the board a completed application in the form specified by the board, and the relevant license application fee as set forth in section 4723.08 of the Revised Code.
- (C) If the board determines that the educational content and requirements of a foreign graduate's nursing education program are not substantially similar to those for nursing education programs set forth in Chapter 4723-5 of the Administrative Code, the board may condition the foreign educated nurse graduate's eligibility for licensure by endorsement on successful completion of a program or course of study identified by the board as necessary to address any deficiency.
- (D) The board may propose to deny licensure by examination or endorsement to a foreign educated nurse graduate pursuant to an adjudication conducted in accordance with Chapter 119. of the Revised Code. Based on the outcome of the adjudication, the board may grant licensure, deny licensure, or condition licensure on the applicant's successful completion of education in the area of deficiency identified by the board.
- (E) In accordance with section 4723.09 of the Revised Code, the board may issue a nonrenewable temporary permit to practice nursing as a registered nurse or a licensed practical nurse to a foreign educated nurse graduate seeking licensure by endorsement. A temporary permit shall expire at the earlier of one hundred eighty days after issuance, or upon issuance of a license by endorsement.
- (F) A foreign educated nurse graduate seeking licensure by endorsement as a registered nurse or licensed practical nurse, who requests a temporary permit to practice nursing in Ohio shall submit the following:

- (1) In accordance with paragraph (B)(3) of this rule, evidence of successful completion of a nursing education program determined by the board to have educational content and requirements that are substantially similar to either:
 - (a) A registered nursing education program, as set forth in rule 4723-5-13 of the Administrative Code if the foreign educated nurse graduate is seeking a temporary permit as a registered nurse; or
 - (b) A practical nursing education program, as set forth in rule 4723-5-14 of the Administrative Code if the foreign educated nurse graduate is seeking a temporary permit as a licensed practical nurse;
 - (2) Directly by the jurisdiction in which the applicant was originally licensed by examination, or electronically by the national council of state boards of nursing, verification of licensure by examination, as provided in paragraph (B)(5) of this rule;
 - (3) Verification of current, valid licensure directly from any jurisdiction of the national council of state boards of nursing.
- (G) The board shall immediately terminate a foreign educated nurse graduate's temporary permit upon notification of a criminal records check completed by the bureau of criminal identification and investigation, that indicates the foreign educated nurse graduate has been convicted of, pleaded guilty to, or had a judicial finding of guilt for any violation set forth in section 4723.09 of the Revised Code, and the foreign educated nurse graduate shall immediately surrender the temporary permit to the board.
- (H) If a foreign educated nurse graduate seeking licensure by examination or endorsement fails to meet the requirements for licensure within one year from the date the application for licensure is received, or the application remains incomplete for one year, the application shall be considered void and the fee forfeited. The application shall state the circumstances under which forfeiture may occur.
