5. Statute(s) the rule, as filed, amplifies or implements: **4723.06, 4723.09**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Five year review. The board is proposing rescission of the existing rules in this chapter and promulgating new rules that more clearly set forth the requirements for licensure.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule addresses the requirements for an individual seeking licensure as a

registered nurse by endorsement. Applicants for licensure by endorsement have been licensed as a nurse in another state or jurisdiction recognized by the National Council of State Boards of Nursing, and have passed the registered nurse licensure examination for initial licensure. The provisions of this new rule are analogous to those in current rule 4723-7-06.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

The Board has become aware that some applicants for licensure by endorsement are not able, due to issues beyond their control, to obtain official transcripts from their nursing education programs. To address this issue, language in paragraph (A)(1)(b) is revised to allow, as an alternative, a copy of the transcript from the jurisdiction in which an endorsement applicant was originally licensed by examination, or other documentation acceptable to the Board.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
