Practical nurse licensure by endorsement.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4723.07**

5. Statute(s) the rule, as filed, amplifies or implements: **4723.06, 4723.09**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Five year review. The board is proposing rescission of the existing rules in this chapter and promulgating new rules that more clearly set forth the requirements for licensure.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the requirements for application for licensure as a practical

nurse by endorsement. These applicants are those who have been licensed as a nurse in another jurisdiction of the National Council of State Boards of Nursing, and have passed the national practical nursing examination prior to initial licensure. These provisions are largely the same as those in current rule 4723-7-07. Language is added, however to clarify that an applicant for licensure as a practical nurse by endorsement must have completed a practical nursing program. The rule creates one exception to this requirement. The board may issue a practical nurse license by endorsement to a practical nurse who completed a registered nursing education program in another state or jurisdiction, provided that person has been licensed, in good standing, as a practical nurse in another jurisdiction for not less than five continuous years prior to applying for an Ohio license.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

The Board has become aware that some applicants for licensure by endorsement are not able, for reasons beyond their control, to obtain an official transcript from their nursing education programs. To address this, language in paragraph (A)(1)(b) is revised to allow, as an alternative, a copy of the transcript from the jurisdiction in

which an endorsement applicant was originally licensed by examination, or other documentation acceptable to the board.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
