Specific fee amounts are removed and the term "applicable" is substituted to allow for changes in the fee amount without the necessity of changing the rule. The fee for renewal of a certificate of authority is set forth in statute [RC

4723.08(A)(12)]and is currently less than the amount cited in the rule. Paragraph (D) is proposed for deletion in anticipation that the board will move away from paper licenses and certificates. Non-substantive language revisions are also made.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:
