**Safety standards for personally furnishing drugs and  
therapeutic devices.****RULE SUMMARY**1. Is the rule being filed for five year review (FYR)? **No**2. Are you proposing this rule as a result of recent legislation? **Yes**Bill Number: **HB170**General Assembly: **130**Sponsor: **Reps. Johnson and  
Stinziano**3. Statute prescribing the procedure in  
accordance with the agency is required  
to adopt the rule: **119.03**4. Statute(s) authorizing agency to  
adopt the rule: **4723.07**5. Statute(s) the rule, as filed, amplifies  
or implements: **4723.481**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed pursuant to the five-year rule review process required by Ohio Revised Code (ORC) Section 119.032. This rule replaces 4723-9-08 that is being rescinded.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule sets safety standards for personally furnishing drugs and therapeutic devices. The rule is replacing the rescinded version of the rule. The language is being reorganized to read more clearly. The rule is now divided into four sections: requirements for personally furnishing both samples and a supply; specific requirements for samples; specific requirements for supplies; and a reference to Naloxone (H.B. 170, 130th GA, effective March 11, 2014, authorizes CTP holders to personally furnish or prescribe Naloxone - Section 4723.488, ORC).

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The rule states that the materials are available to the public at <http://www.nursing.ohio.gov/forms.htm>.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

The material referenced is a form that is readily available on a public website. Forms contain data (e.g., calendar dates, references to statutes) that are updated from time to time, and it is infeasible, and not a good use of state resources, to file new rules and hold public rule hearings, each time changes are made to forms. In addition, some forms referenced are representative samples, as the forms used by individuals are mailed to them directly and contain secure passwords to access and file the form on the Ohio eLicense Center electronic database, and it is infeasible to attach forms containing personal identifiers to public rule filings.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

*Not Applicable.*

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
