Ohio statutes require that applicants for a certificate to prescribe coming from another jurisdiction complete a two-hour course in Ohio law governing drugs and prescriptive authority. The rule sets forth what the content of the course must include and what the applicant needs to submit for purposes of meeting certification requirements.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **No**

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **No**

The rule does not create a cause of action as the completion of the course is required of applicants by statute. An applicant's failure to comply with the rule precludes the Board's ability to review a completed application.

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **Yes**

The rule requires that an applicant submit documentation of completion of the course as a prerequisite for a certificate to prescribe.
