

4729-5-38

Immunization Administration.

(A) A pharmacist or pharmacy intern acting under the direct supervision of a pharmacist may administer in accordance with section 4729.41 of the Revised Code the following:

(1) Any immunization that is included in either of the following immunization schedules recommended by the advisory committee on immunization practices of the centers for disease control and prevention in the United States department of health and human services (7/15/2015):

(a) The recommended immunization schedule for persons aged zero through eighteen years;

(b) The recommended adult immunization schedule.

(B) In addition to the immunizations listed in paragraph (A) of this rule, a pharmacist or pharmacy intern, in accordance with section 4729.41 of the Revised Code, may administer the zoster vaccine according to the age criteria specified in the F.D.A. approved labeling.

(C) A pharmacist or pharmacy intern shall obtain informed consent to administer an immunization pursuant to paragraph (O) of rule 4729-5-27 of the Administrative Code.

(D) A pharmacist or pharmacy intern shall comply with the vaccine information statement requirements of the National Vaccine Childhood Injury Act, 42 U.S.C. 300aa-26 (7/15/2015).

(E) A pharmacist or pharmacy intern who engages in the administration of immunizations shall do so in accordance with rules 4729-5-36 and 4729-5-37 of the Administrative Code.
