Licensing requirements.

- (A) Any person, firm, partnership, association, or corporation must first be licensed before engaging in the sale, practice of dealing in or fitting of hearing aids, advertising or assuming such practice, or engaging in training to become a licensed hearing aid dealer or fitter.

- (B) A firm, partnership, association or corporation, whether profit or non-profit, is required to obtain a license in order to merchandise hearing aids. Only a licensed individual may actually execute the sale, engage in the practice of dealing in or fitting of hearing aids, or supervise a trainee engaged in training to become a licensed hearing aid dealer or fitter.
