6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The Board is proposing to rescind this rule as part of a larger rule package that gives a five-year rule review to rules 4751-1-02, 4751-1-03, 4751-1-05, 4751-1-09, and 4751-1-13 of the Administrative Code. The Board appreciates feedback on this

rule.

Instead of amending a rule, the Board is proposing to rescind the rule and replace it with a new rule of the same number. This complies with section 4.3.1 of the Legislative Service Commission's Rule Drafting Manual.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule that the Board is proposing to rescind defines terms used in Chapter 4751-1 of the Administrative Code.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other materials by reference.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date: **3/11/2015**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

The rule proposal would have no impact upon the biennial budget that the General Assembly established for the Board.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

5MT0-490-627 Board of Executives of LTSS

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Especially because this rule merely introduces the chapter and defines terms, and because the Board proposes to replace the rule with another rule of the same number, the Board estimates that the proposed rescission of the rule would create no cost of compliance to any directly-affected person.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component

dealing with environmental protection as defined in R. C. 121.39? **No**

S.B. 2 (129th General Assembly) Questions

18. Has this rule been filed with the Common Sense Initiative Office pursuant to R.C. 121.82? **Yes**

19. Specific to this rule, answer the following:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **No**

Chapter 4751-1 of the Administrative Code requires a license to become a nursing home administrator in Ohio. This rule that the Board is proposing to rescind merely defines terms used in that chapter.

¹ A state agency may adopt a rule that defines terms used in the Ohio Administrative Code, but a state agency may not adopt a rule that defines terms used in the Ohio Revised Code.

² The Legislative Service Commission's rule drafting manual says to refer to the chapter as "that chapter." Sometimes LSC will allow "Chapter 4751-1 of the Administrative Code."

³ A reference to the chapter doesn't need repeated within a definition. Additionally, the act of defining a term in a rule doesn't define a term used in the Ohio Revised Code.
