This rule that the Board is proposing to rescind regulates Board regarding its meetings.

The Board is proposing to replace this rule with a new rule of the same number.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This will have no impact on revenues or expenditures.

\$0.00

The Board estimates that the proposed rescission of this rule will have no impact upon the biennial budget that the General Assembly established for the Board.

5MT0-490-627 Board of Executives of LTSS

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

The Board estimates that there is no cost of compliance to any party associated with the proposed rescission of this rule. Primarily, the rule regulates the Board in how the Board conducts meetings.

However, the rule does contain a requirement for interested parties to mail self-addressed, stamped envelopes to the Board in order to receive notification of Board meetings. In a companion rule proposal, the Board is proposing to adopt a new rule of the same number that will no longer retain this requirement. The

proposed rescission of this rule and the companion filing of a proposed new rule that does not require self-addressed, stamped envelopes should reduce the costs of postage and office supplies for interested parties who monitor Board meeting activity.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
