These rules implement Senate Bill 5, the Physical Therapy Licensure Compact, which will be effective on June 30, 2021. Senate Bill 5 will allow physical therapists (PTs) and

physical therapist assistants (PTAs) who live in a state that is also a member of this interstate compact to apply for a privilege to practice in Ohio through the PT Compact - <http://ptcompact.org>. Ohio PTs and PTAs will also be able to apply for a privilege to practice in another compact state through this legislation. The intent is to ease access to the ability to practice across state lines without sacrificing licensure qualifications and standards or the regulatory board's ability to enforce state law.

The Board has determined two rules are necessary to implement the compact:

1. 4755-23-16 - Physical Therapy Compact privileges - This rule will require the PT Section of the board to comply with the laws and rules of the PT Compact Commission. The rule will also require any applicants for a PT Compact privilege to take the Ohio Jurisprudence Assessment Module in order to familiarize them with Ohio's PT practice act which will govern their practice while they are working in the state of Ohio.

8. **Does the rule incorporate material by reference? No**
