1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4765.11, 4765.55**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed for the purpose of complying with Section 119.032 of the Revised Code.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This section sets forth the definitions for Chapter 4765-11 of the Ohio Administrative Code. Minor changes were made to the definitions in order to

reflect proper terminology used in OAC Chapter 4765-11. Changes in paragraphs (M) to (O) reflect incorporation by reference requirements. Proper citations to the National Fire Protection Association standards, which are incorporated by reference, have been added to the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule is in compliance with the exception of R.C. 121.75(E) because: the incorporated standards are generally accepted standards familiar to firefighters and fire safety inspectors; the incorporated standards are available via the identified NFPA web site and most firefighters, fire safety inspectors and/or chartered training programs have access to a computer; the incorporated standards are intelligible to firefighters and fire safety inspectors who are enrolling in or teaching a fire training program; and the rule includes the applicable version (date of edition) of the incorporated standards.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This rule is in compliance with the exception of R.C. 121.75(E) because: the incorporated standards are generally accepted standards familiar to firefighters and fire safety inspectors; the incorporated standards are available via the identified NFPA web site and most firefighters, fire safety inspectors and/or chartered training programs have access to a computer; the incorporated standards are intelligible to firefighters and fire safety inspectors who are enrolling in or teaching a fire training program; and the rule includes the applicable version (date of edition) of the incorporated standards. Because the rule meets the requirements of R.C. 121.75(E), the incorporated material is not required to be filed electronically.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date: **7/15/2004**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
