Classification of fire service training programs.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4765.55**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed pursuant to a completed R.C. 119.032 five-year rule review. This rule is being proposed for rescission due to LSC's fifty percent guideline. It is estimated that changes to the rule strike approximately half of the existing text while adding a comparable amount of new text. This rule is simultaneously being proposed as a new rule under the same rule number.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule sets forth the conditions under which the executive director will grant volunteer firefighter, firefighter I, firefighter II, fire safety inspector, fire instructor or fire safety instructor classification to a fire charter wishing to offer training courses.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The material incorporated by reference in this rule includes an agency form, "application." While this form is commonly known and has been made generally available to affected persons, this rule did not originally address the materials in compliance with sections 121.71 to 121.74 of the Revised Code. This rule is simultaneously proposed for rescission and adoption under this same rule number, in part, to address these materials. The new rule will refer readers to rule 4765-11-01(N) where all materials incorporated by reference in Chapter 4765-11 and Chapters 4765-20 to 4765-23 are addressed.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

N/A. Although this rule is simultaneously proposed for rescission and adoption under the same rule number, in part, to appropriately address materials incorporated by reference, the agency form referenced in this rule, and properly addressed in the new rule, is being filed with 4765-11-01 (N), as part of this package.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

N/A. Although this rule is simultaneously proposed for rescission and adoption under the same rule number, in part, to appropriately address materials incorporated by reference, the agency form referenced in this rule, and properly addressed in the new rule, is being filed with 4765-11-01(N), as part of this package.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. 119.032 Rule Review Date: **1/16/2014**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

S.B. 2 (129th General Assembly) Questions

18. Has this rule been filed with the Common Sense Initiative Office pursuant to R.C. 121.82? **Yes**

19. Specific to this rule, answer the following:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **Yes**

This rule is being rescinded and simultaneously proposed for adoption under this same rule number. However, this rule and other provisions in Chapter 4765-11 of the Administrative Code required fire service training programs to receive approval from the EMS executive director for a program charter prior to offering courses at new or different classification levels.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **Yes**

This rule is being rescinded and simultaneously proposed for adoption under this same rule number. However, this rule provided that failure to comply with the terms set forth in this rule, as well as provisions of other rules in Chapter 4765-11 of the Administrative Code, may have resulted in an application for a new or additional charter classification to be denied.

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **No**

This rule is being rescinded and simultaneously proposed for adoption under this same rule number. In and of itself, it does not require specific expenditures or the report of information. However, it is part of a filing package that does, as some provisions in Chapter 4765-11 require fire chartered programs to comply with curriculum objectives and instructional hours set forth in this chapter, which would include the cost of instructional materials, instructor time, and equipment as the program deems necessary. Additionally, other provisions of Chapter 4765-11 require chartered programs to submit written notice of change in a program's business information within 10 days of the date the change occurred.
