Chartering of training programs.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4765.11**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed for the purpose of changing a term so that it is consistent with the Revised Code. In addition, this rule changes the age at which an individual may enter a fire training program in order to be consistent with the EMT rules, and clarifies that the admission criteria for such programs must be in compliance with the State Board of Education.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The Revised Code refers to the firefighter and fire safety inspector training committee. Paragraphs (A)(4) and (A)(14) of this rule improperly state "subcommittee" instead of "committee". As such, these have been changed to read "committee" so that they are consistent with the Revised Code. In addition, the age at which an individual may enter a fire training program has been changed to read "seventeen years old who is enrolled in the twelfth or final grade in a secondary school program" as stated in the EMT rules (specifically, Rule 4765-7-02). Furthermore, language has been deleted from paragraph (C) so that a fire program must follow the criteria as set forth by the State Board of Education.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Paragraph (A)(17)(a)(ii) of this rule refers to a definition of "fire fighting agency", as defined in "division (A)(1) of section 9.60 of the Revised Code". In addition, paragraph (A)(17)(a)(iii) refers to a definition of "private fire company", as defined in "division (A)(2) of section 9.60 of the Revised Code". These division references are no longer current and have been changed to reflect the proper division numbers (divisions (A)(3) and (A)(5), respectively). In addition, the word "fire fighting" was

changed to "firefighting" in paragraph (A)(17)(a)(ii) to be consistent with the wording in section 9.60 of the Revised Code, and "fireprotection" was changed to "fire protection" in paragraph (A)(17)(a)(iii).

12. 119.032 Rule Review Date: 7/31/2004

(If you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: At time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
