5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed for the purpose of complying with Section 119.032 of the Revised Code. This rule is being filed as a new rule in compliance with LSC rule-drafting procedures (which require a rule with changes to 50% of its content to be rescinded and filed anew). As such, former Rule 4765-11-04 is being rescinded and new Rule 4765-11-04 is being adopted in its place.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the general provisions in applying for a charter. Language from former Rule 4765-11-04 regarding the form of the application has been simplified in this new rule. In addition, reference to notice requirements, which previously appeared in former Rule 4765-11-04, have been removed from this rule as these provisions are already found within R.C. Chapter 119.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date

for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
