Reinstatement of an expired fire charter or classification.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4765.55**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed according to a R.C. 119.032 review. This rule is also proposed to replace existing rule 4765-11-07 due to fifty percent guideline. It is estimated that changes to the new rule strike approximately fifty percent of the text in the existing rule while adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the reinstatement requirements for a fire charter that has expired. Changes to this new rule clarify the timeline and requirements for reinstating an expired charter. Timelines were changed to be consistent with the reinstatement timeline for EMS schools. Since many training institutions are also accredited by the State Board of EMS, this will afford consistency in the processes for reinstatement both fire and EMS training institutions. Additionally, language was added to this rule to identify that the dates and availability of materials incorporated by reference are located in paragraph (CC) of rule 4765-11-01(N).

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates the "Fire Charter Application," EMS 0029 (November, 2013) by reference. To comply with sections 121.71 to 121.74 of the Revised Code, this rule refers readers to paragraph (CC) of rule 4765-11-01(N), which addresses the version/date of the material, as well as its availability via http://ems.ohio.gov/ems_fire_srvcs.stm.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

These materials are being filed with this package as part of rule 4765-11-01(N).

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

S.B. 2 (129th General Assembly) Questions

18. Has this rule been filed with the Common Sense Initiative Office pursuant to R.C. 121.82? **Yes**

19. Specific to this rule, answer the following:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **No**

This rule, in and of itself, does not require prior authorization to engage in business. However, it is part of a filing package that does, as some provisions in Chapter 4765-11 require fire service training programs to receive and renew approval from the EMS executive director for a program charter prior to offering courses at the following classification levels: volunteer firefighter, firefighter I, firefighter II, fire safety inspector, fire instructor or fire safety instructor.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **Yes**

This rule provides that failure to comply with the terms set forth in this rule may result in an application for reinstatement of an expired fire charter to be denied, while other provisions in Chapter 4765-11 establish that an administrative sanction up to and including revocation of a fire service training program charter or classification may be imposed for violations of Chapter 4765-11 of the Administrative Code pursuant to rule 4765-23-02 of the Administrative Code.

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **No**

This rule, in and of itself, does not require specific expenditures or the report of information. However, it is part of a filing package that does, as provisions in Chapter 4765-11 require fire chartered programs to comply with curriculum objectives and instructional hours set forth in this chapter, which would include the cost of instructional materials, instructor time, and equipment as the program deems necessary. Additionally, provisions of Chapter 4765-11 require chartered programs to submit written notice of change in a program's business information within 10 days of the date the change occurred.
