

## TO BE RESCINDED

4765-11-13

**Fire safety inspectors.**

- (A) A program to train fire safety inspectors shall require that participants successfully complete a fire training program for fire safety inspectors of not less than seventy-two hours that meets the performance objectives set forth in the current NFPA 1031 standard for fire inspector I as set forth in the "NFPA 1031 Standard for Professional Qualifications for Fire Inspector and Plan Examiner (1998 edition)," which is available at [www.nfpa.org](http://www.nfpa.org). The training shall commence and end within a consecutive twelve-month period.
- (B) Any program to train fire safety inspectors shall require that all participants are certified as firefighters under section 4765.55 of the Revised Code prior to enrolling in the fire safety inspector program.
