

TO BE RESCINDED

4765-11-17 **Fire charter offsite locations.**

- (A) The executive director, with advice and counsel of the committee, shall allow a chartered program to offer courses at different locations from the location listed in the application for chartering provided that all of the following apply:
- (1) The chartered program continues to operate at the location identified in the application for a charter;
 - (2) Each offsite location where the program is offered, meets the minimum standards for chartering as set forth in rule 4765-11-03 of the Administrative Code;
 - (3) The chartered program submits a written request to the executive director.
- (B) Files and records of students enrolled in a fire training course conducted offsite may be maintained in a secure area at the offsite location until the course is completed, at which time all student files and records shall be maintained at the site of the chartered institution. The records shall be surrendered to the chartered program no later than ninety days after the final day of the course.
- (C) The chartered program shall maintain a current and valid charter in order to offer courses at an offsite location.
- (D) If a chartered program is under disciplinary action by the executive director, such institution shall obtain approval from the executive director before offering courses at a new offsite location.
- (E) If a chartered program is utilizing a location outside of the state of Ohio, the chartered program shall comply with Chapter 4765-11 of the Administrative Code and any applicable law, rules, or regulations in that state.
