

TO BE RESCINDED

4765-12-02

General provisions.

- (A) A training program for certification as a first responder shall meet any knowledge of skill objectives established by the board.
- (B) The current national standard curriculum (NSC) as adopted by the United States department of transportation shall be used as a guideline for development of all first responder training curriculum.
- (C) Pursuant to section 4765.16 of the Revised Code, all first responder training programs shall be accredited or approved by the division as directed by the board and first responder training courses shall be taught by a person who holds a certificate to teach at the level appropriate for the course.
- (D) The requirement of division (A)(1)(a) of section 4765.30 of the Revised Code shall be waived if the applicant submits to the training program a statement that he or she is not a permanent full-time firefighter. The statement shall be in writing and shall be signed by the applicant. The training program may provide for the statement on its admission application or require the applicant to submit a statement in the student's record.
- (E) The board may waive the requirement of division (A)(1)(a) of section 4765.30 of the Revised Code for an applicant who is affiliated with a "full time" fire department if the applicant establishes the extraordinary need for first responders by his or her residential community. The documentation, which shall include at a minimum the applicant's signed request for a waiver and a letter from an appropriate source explaining the extraordinary need, shall be filed with the board.
