

## TO BE RESCINDED

4765-12-04

**First responder instructor curriculum.**

- (A) A first responder instructor training program shall consist of a minimum of forty-six hours allocated among the following areas:
- (1) Six hours in the review and update of the first responder curriculum knowledge and skill objectives;
  - (2) Except as provided in paragraph (B) of this rule, thirty-six hours in instruction of adult students and basic teaching techniques; and
  - (3) Except as provided in paragraph (E) of this rule, four hours of supervised teaching in the presence of a person who holds a current certificate to teach at the first responder level.
- (B) A person seeking certification under section 4765.23 of the Revised Code as a first responder instructor who holds at least a baccalaureate degree in adult education from an accredited institution deemed acceptable by the board, need only complete that portion of a first responder instructor program set forth in paragraph (A)(1) of this rule.
- (C) A first responder instructor training program for current EMT instructors and current fire service instructors who hold a EMS certificate to practice shall consist of six hours in the review and update of the first responder curriculum knowledge and skill objectives.
