5. **What statute(s) does the rule implement or amplify?** 4765.55
6. **What are the reasons for proposing the rule?**

These rules are being filed as part of a comprehensive five-year rule review and reorganization of the fire training rules in agency 4765 of the OAC, at the request of stakeholders. OAC chapters governing fire charters, fire service and fire instructor training, professional standards, and discipline are proposed to be made consecutive chapters in OAC 4765, and a chapter including definitions and items incorporated by reference as two separate rules has been added. At the request of stakeholders, proposed revisions add language creating a live fire instructor (LFI) certification and a hazard recognition officer (HRO) certification.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

OAC Rule 4765-20-07 sets forth the requirements for renewal of a fire fighter and fire safety inspector certificate. The rule requires the Division to notify each person of the expiration date of the individual's firefighter or fire safety inspector certificate no later than sixty days prior to the expiration date. The rule states that no application fee is required for the renewals it sets forth and that renewals become effective on the expiration date of the current certificate. The rule refers readers to an incorporated by reference rule. OAC Rule 4765-20-07 is amended to include requirements for renewal of a hazard recognition officer certificate, a level that is added as part of this rule review and revision process. The qualifications are listed sequentially for each certificate level, and references are revised to reflect the reorganized rules. The rule is amended to include renewal procedures for members of the military and their spouses. The rule includes documentation and record-keeping requirements. The rule references are corrected based on the revised organization of the rules and chapters.

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**
- OAC rule 4765-20-07 incorporates the "Firefighter, Fire Safety Inspector, or Hazard Recognition Officer Renewal Application" form. To comply with sections 121.71 to 121.74 of the Revised Code, this rule refers readers to OAC rule 4765-25-02, which provides the editions and dates of the materials and the Web site addresses where the information may be accessed.
10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**
