1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4765.55**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed according to a R.C. 119.032 review. This rule is also proposed to replace existing rule 4765-20-07 due to LSC's fifty percent guideline. It is estimated that changes to the new rule strike approximately fifty percent of the text in the existing rule while adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the requirements for renewal of a fire fighter and fire safety inspector certificate. Changes to this new rule separate firefighter and fire safety inspector requirements into separate paragraphs for clarity sake. The rule now requires the Division to notify each person of the expiration date of the individual's firefighter or fire safety inspector certificate no later than sixty days prior to the expiration date. Additionally, language was added to this rule to identify that the dates and availability of materials incorporated by reference are located in rule 4765-11-01(N) (See filing package 114977).

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates the "Firefighter and/or Fire Safety Inspector Renewal Application." To comply with sections 121.71 to 121.74 of the Revised Code, this rule refers readers to paragraph (CC) of rule 4765-11-01(N) (See filing package 114977), which addresses the version/date of the materials, as well as where each may be accessed.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

In compliance with R.C. 121.73, this material is being filed as part of new rule 4765-11-01 (See filing package 114977), which addresses the version/date of incorporated materials, as well as where they may be accessed.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **Yes**

This rule provides that failure to comply with the terms set forth in this rule may result in a renewal application to be denied.

This rule requires applicants to maintain records that document his or her completion of the continuing education set forth in rules 4765-20-13 and 4765-20-16 of the OAC. This impact is expected to be minimal.
