13. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

The estimated cost of compliance for stakeholders to apply for reinstatement of a certificate is \$75. The \$75 reinstatement fee must be paid when a certification has expired, becomes invalid due to voluntary surrender, or has been previously revoked. In addition, the cost of compliance may include costs of classes or testing to obtain the required level of skill and knowledge or continuing education credit. These costs may vary from \$0 to \$2500, depending on the time elapsed since the expiration, surrender, or revocation and the certification level sought. Other cost variables include the rate of pay for instructors, the size of the charters/ institutions, and student enrollment. Tuition may be paid by the fire department sponsoring a student. Fire departments may request reimbursement of costs through the State Fire Marshal Fire training grant programs.

14. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

15. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No

16. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.
