1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

4. Statute(s) authorizing agency to adopt the rule: **4765.55**

5. Statute(s) the rule, as filed, amplifies or implements: **4765.55**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed according to a R.C. 119.032 review. This rule is also proposed to replace existing rule 4765-20-10 due to LSC's fifty percent guideline. It is estimated that changes to the new rule strike approximately fifty percent of the text in the existing rule while adding a comparable amount of new text.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the timeline and requirements for individuals who were trained prior to July 2, 1970, to receive credit for training in lieu of completing a chartered training program. In accordance with the rule proposed for rescission that this rule replaces, individuals were required to apply for a certificate no later than December 31, 2010. Changes to this new rule direct persons who failed to apply by December 31, 2010, to complete a new course of instruction.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

N/A

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

For individuals who did not apply to receive a certificate in lieu of completing a chartered program by December 31, 2010, as set forth in the rescinded rule that this rule replaces, it is estimated that they may incur costs of \$500 to \$1000 per each course required to complete the required training. Source: The estimated cost was determined by the Firefighter and Fire Safety Inspector Training Committee and replies to a statewide survey sent to all chartered programs to ascertain adverse impact. The committee members include fire chiefs, firefighters, fire instructors, fire safety inspector instructors, fire safety inspectors, and training program directors.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**

S.B. 2 (129th General Assembly) Questions

18. Has this rule been filed with the Common Sense Initiative Office pursuant to R.C. 121.82? **Yes**

19. Specific to this rule, answer the following:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **No**

This rule, in and of itself, does not require prior authorization to engage in business. However, it is part of a filing package that does, as some provisions in Chapter 4765-20 require firefighters and fire safety inspectors to apply for, renew, and maintain the appropriate certificate issued by the EMS executive director prior to engaging in fire services.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **No**

This rule, in and of itself, does not impose a penalty or sanction. However, it is part of a filing package that does, as administrative sanction up to and including revocation of a firefighter or fire safety inspector certificate may be imposed for violations of Chapter 4765-20 of the Administrative Code pursuant to rule 4765-23-02 of the Administrative Code.

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **No**

The rescinded rule that this rule replaces provided individuals, who had been trained in fire services prior to 1970, the flexibility to apply for a certificate in lieu of completing a chartered training program if they applied for the certificate prior to December 31, 2010. This rule sets forth that persons who did not apply by December 31, 2010, must complete a new course of instruction. These individuals may expect to pay between \$500 and \$1000 for the required course.
