6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being proposed in accordance with HB 401 (126th G.A.). This bill requires the Executive Director of the Division of EMS, with advice and counsel of the Firefighter and Fire Safety Inspector Committee, to adopt rules regarding, in general, training and education standards and certification and renewal requirements for firefighters, fire safety inspectors, fire instructors, and fire charters, as well as disciplinary guidelines and procedures for such certificate holders.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule establishes the continuing education requirements for a volunteer firefighter, firefighter I, or firefighter II certification level.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:
