

## TO BE RESCINDED

4765-7-04

**Application for accreditation.**

- (A) An applicant for a certificate of accreditation issued pursuant to section 4765.17 of the Revised Code and this chapter shall submit the following information on forms prescribed by the board:
- (1) Documentation of compliance with accreditation standards set forth in section 4765.16 of the Revised Code and this chapter;
  - (2) The location from which the training program is administered and the locations where classroom and laboratory components of the program are conducted;
  - (3) The names of the program coordinator and program medical director;
  - (4) A financial statement certifying that the applicant or the training program possess sufficient financial resources to ensure the continued operation of the program for the term of a certificate of accreditation;
  - (5) Copies of all affiliation agreements between the applicant and all persons allowing the use of equipment or providing settings for clinical experience or prehospital internships;
  - (6) The names, and certification numbers of instructors issued a certificate to teach pursuant to section 4765.23 of the Revised Code, who are planning to teach in the training program.
- (B) An application for a certificate of accreditation issued pursuant to section 4765.17 of the Revised Code shall also be subject to site inspections.
- (C) There shall be no fee required for an application for certification of accreditation.
