Chapter 119. and O.A.C. Chapter 4766-2. The rule sets forth the role of the Division of EMS to act on behalf of the EMFTS Board, the circumstances under which a case may be closed, the requirement to protect patient confidentiality, and the role of EMFTS Board members in the investigation and adjudication processes.

8. This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:
