Temporary and Disaster Operations.

- (A) A licensed ambulette service shall not operate a licensed ambulette on any public way in Ohio if the licensed ambulette is not in full compliance with applicable sections 4766.01 to 4766.99 of the Revised Code. In the event of a disaster situation when licensed ambulette(s) based in the locality of the disaster situation are incapacitated or insufficient in number to render ambulette(s) needed, a licensed ambulette service may utilize whatever means necessary to transport and treat clients.
- (B) An ambulette that has not been issued a permit by the board may operate, for a period not to exceed sixty days, if the ambulette is used to replace an ambulette with a permit that has been temporarily taken out of service for repair or maintenance and is in compliance with all of the following:
- (1) The replacement ambulette shall meet all requirements of the licensed ambulette;
 - (2) Prior to placing the non-licensed ambulette in service the licensed ambulette service shall provide written documentation to the board that includes the following:
 - (a) Date licensed ambulette was removed from service;
 - (b) Non-licensed ambulette identification number;
 - (c) In-service date of non-licensed ambulette;
 - (d) Date licensed ambulette placed back into service;
 - (3) The licensed ambulette service shall pay the appropriate fee for each temporary permit;
 - (4) Upon request of the licensed service the board may at its own discretion grant an extension.
