

TO BE RESCINDED

4766-4-06

Change in status of service level.

- (A) The application for change in certification level as an MoICU licensed organization shall be made on such forms prescribed by the board and shall include the following:
- (1) The name, address and license number of the functioning medical director for the licensed organization, who shall assure that the organization conforms with all standards as outlined and defined by law and rule;
 - (2) Documentation of an appropriate drug license number as prescribed by the state board of pharmacy;
 - (3) Evidence of functional pre-hospital and inter-hospital protocols in which all basic, intermediate, advanced, and MoICU personnel are trained and certified or licensed to perform, if appropriate physician's presence on transport supercedes protocol. Protocols must be available at all locations.
- (B) An organization licensed at the MoICU level shall notify the board in writing within ten days of any permanent decrease in the level of service to be provided.
