4766-4-15

Temporary and disaster operations.

- (A) A licensed organization shall not operate a licensed MoICU on any public way in Ohio if the licensed MoICU is not in full compliance with applicable sections 4766.01 to 4766.99 of the Revised Code. In the event of a disaster situation when licensed MoICUs based in the locality of the disaster situation are incapacitated or insufficient in number to render services needed, a licensed organization may utilize whatever means necessary to transport and treat patients.
- (B) A MoICU that has not been issued a permit by the board may operate, for a period not to exceed sixty days, if the MoICU is used to replace a MoICU with a permit that has been temporarily taken out of service for repair or maintenance and is in compliance with all of the following:
- (1) The temporary MoICU(s) shall meet all permit requirements as set forth in Chapter 4766. of the Revised Code;
 - (2) Prior to placing the temporary MoICU(s) in service, the licensed organization shall provide written documentation to the board that includes the following:
 - (a) Date licensed MoICU was removed from service;
 - (b) Non-licensed MoICU identification number;
 - (c) In-service date of non-licensed MoICU;
 - (d) Date licensed MoICU placed back into service;
 - (3) The licensed organization shall pay the appropriate fee(s) for each temporary permit;
 - (4) The board may at its own discretion grant an extension of the sixty day period.
