- (F) The commission staff shall annually reconcile the funds collected with the actual costs of providing TRS when it issues the assessment in accordance with paragraph (E) of this rule and shall either proportionately charge the service providers for any amounts not sufficient to cover the actual costs or proportionately credit amounts collected in excess of the actual costs.
- (G) In accordance with division (C) of section 4905.84 of the Revised Code, each service

provider that pays the assessment shall be permitted to recover the cost of the assessment. The method of the recovery may include, but is not limited to, a customer billing surcharge.
