

4901:1-7-18

Interim rates for forward-looking economic prices.

(A) Interim rates may be used by the commission in setting prices while arbitrating disputed issues pursuant to rule 4901:1-7-9 of the Administrative Code.

(B) Interim rates shall be set by the commission when it determines that it does not have sufficient time to review cost information provided by an incumbent local exchange carrier or when it appears that, there may be significant concerns with the cost studies from the commission's cursory review.
