Ohio works first: federal work participation rates.

(A) Which section of the Revised Code applies to federal work participation rates?

- (1) Section 5107.05 of the Revised Code authorizes the director of job and family services to adopt rules as necessary to comply with Title IV-A, Title IV-D, federal regulations, state law, and the state plan.
- (2) The county agency will administer the work activity programs in accordance with the requirements contained in this rule and not in accordance with sections 5107.40, 5107.42 and 5107.44 of the Revised Code.

(B) What are the federal work participation rates?

- (1) Each federal fiscal year each county agency must achieve the minimum federal work participation rates pursuant to 45 C.F.R. 261.21 (2/2008) and 45 C.F.R. 261.23 (2/2008). The minimum federal work participation rates are ninety per cent for two-parent assistance groups and fifty per cent for all-family assistance groups.
- (2) For purposes of calculating federal work participation rates, the definitions described in this rule are applicable. In order to meet the definitions of two-parent assistance groups or all-family assistance groups as described in paragraphs (C) and (D) of this rule, the work-eligible individuals shall be included in the assistance group. Learning, earning and parenting (LEAP) participation by a minor head of household, as defined in section 5107.02 of the Revised Code and rule 5101:1-1-01 of the Administrative Code, is included in the two-parent or the all-family assistance group definitions for federal work participation calculation purposes.

(C) What is a two-parent assistance group?

(1) Definition

A two-parent assistance group includes at least one minor child and two natural or adoptive parents of the same minor child who are work-eligible individuals and living in the home. This includes a two-parent assistance group that is deemed to include a minor child when the only minor child is in receipt of supplemental security income (SSI) benefits, or is a child for whom federal, state, or local adoption assistance ~~or~~ foster care maintenance payments, or kinship support payments as described in rule 5101:2-42-18.2 of the Administrative Code are made.

(2) Exception

When an assistance group contains two work-eligible parents of the same minor child, and one of the parents is disabled, the assistance group shall be excluded from the two-parent work participation requirements. Disability of a parent shall be deemed to exist when at least one parent has a physical or mental illness or impairment. The disability shall be supported by competent medical documentation and must be of such a debilitating nature as to reduce substantially or eliminate the parent's ability to work. The disability must be expected to last for a period of at least thirty days. A finding of eligibility for retirement, survivor's, and disability insurance (RSDI) or SSI benefits based on disability or blindness is acceptable proof of a disability for OWF purposes.

(D) What are all-family assistance groups?

All-family assistance groups include two-parent assistance groups as defined in paragraph (C) of this rule, and assistance groups described in paragraphs (D)(1) to (D)(6) of this rule.

- (2) An assistance group containing a minor child and a specified relative in need as described in rule 5101:1-23-10 of the Administrative Code.
- (3) An assistance group as identified in paragraph (C)(2) of this rule shall be included in the all-family assistance group definitions.
- (4) An assistance group containing only a pregnant woman who is at least in her sixth month of pregnancy.
- (5) When the only minor child is in receipt of SSI benefits, or is a child for whom federal, state or local foster care maintenance ~~or~~, adoption assistance payments, or kinship support payments as described in rule 5101:2-42-18.2 of the Administrative Code are made, the assistance group is deemed to include that minor child for purposes of determining eligibility to participate in OWF.
- (6) An assistance group containing a minor child, a work-eligible individual and a parent who is a recipient of SSI benefits.

(E) What are child-only assistance groups?

Child-only assistance groups are excluded from the federal work participation rate calculation. A child-only assistance group is an assistance group containing a minor child residing with a parent, legal guardian, legal custodian, or other specified relative whose needs are not included in the assistance group and who does not meet the definition of a work-eligible individual pursuant to paragraph (B) of rule 5101:1-3-12

of the Administrative Code. This includes situations when the minor child resides with both parents, and both parents are recipients of SSI; and when the parent of the minor child is a child for whom federal, state or local foster care maintenance or adoption assistance payments are made.

For purposes of the federal work participation rate, this disregard can only be applied to the work eligible individual for not more than a total of twelve months, even if the single custodial parent continues to care for a child under the age of twelve months.

- (2) For a married recipient, such participation counts as the greater of twenty hours or the actual hours of participation.
